THE CITY OF OAKLAND – VIBRANT, DIVERSE, AND THE PLACE TO BE

The City of Oakland is dynamic with 50 distinct and eclectic neighborhoods, 17 commercial districts, an increasingly vibrant downtown, a strong economic base, world-class arts and entertainment venues, superior cultural and recreational amenities, and a rich multicultural heritage. Oakland is the eighth largest city in California with an estimated population of 420,005 (2016 U.S. Census Bureau). The city serves as the administrative seat of Alameda County and the center of commerce and international trade for Northern California.

Oakland is one of the most diverse and ethnically integrated urban cities in the nation, with nearly equal representation from Hispanic and Latino, Asian, African-American, and Caucasian residents, speaking over 125 languages and dialects, as well as one of the country's largest Lesbian Gay Bisexual Transgender Queer (LGBTQ) communities. Located on the bay, six miles east of San Francisco, it encompasses 56 square miles, with 19 miles of San Francisco Bay coastline to the west and rolling hills to the east.

Oakland's landscape is a picturesque mix of coastline to the west and rolling hills to the east, which provide unparalleled views of the San Francisco Bay. Oakland has more parks and open space per capita than any other city in the Bay Area. Oakland is at the heart of the East Bay Regional Park District, a splendid system of 65 parks covering more than 119,000 acres and 29 regional hiking trails stretching 1,200 miles in Alameda and Contra Costa Counties. Jack London Square, the waterfront area, and beautiful Lake Merritt are destinations enjoyed by both residents and tourists. Sports enthusiasts enjoy year round professional events including the Oakland Raiders, Warriors, and A's.

Oakland is a major economic force in the region. As a center for international trade, the Port of Oakland is the nation's fifth busiest container port. The Oakland International Airport is served by 12 major domestic and international airlines. Oakland is home to several corporate headquarters including Clorox,

Kaiser Permanente, Pandora, Dreyer's Grand Ice Cream, and Revolution Foods. Many of these corporations are in close proximity to new businesses and various small retail shops that have sprung up in the downtown area. High quality educational opportunities abound as six major universities, including U.C. Berkeley, are within a 40-mile radius.

Oakland is enjoying the region's economic boom, which has spurred increased investment, development and building. The former Oakland Army Base is engaged in a \$400 million revitalization and redevelopment process; and \$115 million of new construction and improvements have recently been completed in downtown Oakland. In addition, Coliseum City, a plan to transform the Oakland-Alameda County Coliseum Sports Complex area, is an opportunity to create an international gateway to Oakland that is a destination in itself with hotels connected to the Airport Connector, major retail, other entertainment venues, office buildings and a residential community. In concert with ongoing development efforts, the City urgently strives to maintain a balance between preserving its cultural, historic and ethnic richness and the unintended consequences of gentrification. The City is a regional hub for multicultural arts and boasts one of the largest visual and performing arts communities on the West Coast. Oakland is home to two major historic entertainment venues that anchor Oakland's emerging downtown entertainment district—the Paramount Theatre and Fox Theatre. The City has completed its part in a \$350 million revitalization effort to create a multifaceted government center that links major historical landmarks with new developments. Oakland is a mature city that has been able to preserve its abundant natural beauty and holds a wealth of resources and opportunities.

CITY GOVERNANCE STRUCTURE

The Mayor is elected at-large for a four-year term, and is head of the executive branch. Oakland's legislative body is the City Council and is comprised of eight Council members. One Council member is elected "at-large" while the other seven Council members represent specific districts. All Council members are elected to serve four-year terms.

The Mayor appoints the City Administrator who is responsible for all city operations and is supported by two Assistant City Administrators. The City Administrator has overall responsibility for day-to-day administrative and fiscal operations of the city including hiring of Department Directors.

Equitable Jobs and Housing

To create more housing and jobs, but do so in an equitable way that keeps Oakland affordable for residents at every income level and provides employment opportunities for Oaklanders with every skill and education level.

Trustworthy Responsible Government

To be more responsive to requests for city services so things in every neighborhood get cleaned and fixed right away and police and firefighters are there when we need them. This will show that government is trustworthy and transparent, and making the city look attractive so people feel good about living and working in Oakland.
